It is with great sadness we announce the sudden passing of Joshtin Chow-Folden on July 6<sup>th</sup>, 2018. Beloved son to Nicole and Jason Folden; brother to Breshton Chow-Folden; Riley and Liam Novlan, (cousins, but brothers of the heart); grandmothers Frances Fuczak, Ann Folden, and OiLan Chow; numerous aunts, uncles, cousins and friends.

Josh will always be remembered for that huge smile. Josh was a gifted athlete, with an incredible set of legs; he excelled at track, winning several Provincial Medals. Josh was known for his incredible skating and grit in hockey. Josh's favourite sport was football, where he was proud to win Provincials several times with his teammates. No one could fly down the field like Josh, except maybe little brother Breshton.

Josh loved the great outdoors; he cherished hunting with friends and family, especially grandpa Les. One of Josh's favourite memories was Bear Camp in Northern Saskatchewan with his dad, brother and dear friends the Hanson's.

Josh used to love watching movies in bed with his mom and brother while Jason was at work, even in his adult years. He was always very protective of his mom.

Josh loved hunting, fishing and socializing. Everyone who knew and loved him will miss him. We would like to give honourable mention to the Hanson family, David Smith and family, Tracy Hassett, Chantelle Gieselman and Richard Chow. Josh was predeceased by grandpa Les Folden, George Mireault and his beloved dog Sable.

Josh's family thank you for attending and invite you for refreshments and a donut (his favourite) following the service.
