

In loving memory of
ROY JONES
 1950 - 2022

Roy was born to Tom and Elsie Jones of Amazon on April 4, 1950. Roy had one older brother, Gordon. Roy's early education started in a one room schoolhouse in Amazon. He moved to Watrous Elementary in grade two where he continued on to complete his grade twelve. Continuing to the University of Regina, Roy graduated with a Bachelor of Education and many new friends. His teaching career lasted one year in Buffalo Narrows. Throughout Roy's life of farming and machinery sales he made many friends and enjoyed his association with his clients. Roy married Margaret Keefe in 1973 and together they raised two sons Rhett and Vaughn. Roy loved his boys and his life revolved around them, through ice and field hockey, football, swimming, track and field, theater, grain and cattle farming, and with the odd horse thrown in. Roy was involved with A&S Equipment in the 80's and in 1990 the family moved to Regina where he worked for Young's Equipment as a Sales Associate for 25 years. While in Regina, Roy renewed many university friendships and made many more. Roy and Margaret travelled near and far by themselves or with friends and had many family holidays. Roy was a proud grandfather and always had time for his grandchildren following their activities and making memories. He was their #1 fan and never tired of talking about them. Roy had many lifelong friends and everybody Roy met, became a friend. He was a kind, gentle person and always had time and encouragement for everyone. Roy was always thrilled in other's accomplishments and success. Roy was predeceased by his parents Tom and Elsie Jones and sister-in-law Catherine DeAtley. Roy is survived by his wife **Margaret** of 48 years, sons **Rhett** (Nicole), Calder, Bryar and Blayk; **Vaughn** (Darlana), Brynlee, Brooks and Beckam; brother Gordon (Darlene), Charlene (Afsham), and son Matthew; Shannon and daughter Emerson; sister-in-law Pat (Tom) Davis, Ryan (Heather) TJ, Will and Andrew; Keefe (Jill) Katherine, Erika and Ian; Brett (Sara) Grayson, Merris; special nephews Jeff (Cindy) Livingstone, Jennifer (Ryan) Palandri, Sophia & Poppy; Carrie, Cory and Jesse; JC (Jacquie) Livingstone, Austin, Jordan and Courtney; Robert (Eilidh) Livingstone; aunts Yvonne Hall and Isobel Jones and many cousins. Roy's family thank you for attending and invite you to stay for lunch following the memorial.
