## MISS ME - BUT LET ME GO

*When I come to the end of the road  
And the sun has set for me  
I want no rites in a gloom filled room  
Why cry for a soul set free?*

*Miss me a little, but not for long  
And not with your head bowed low  
Remember the love that once we shared  
Miss me - but let me go.*

*For this journey is one we all must take  
And each must go alone  
It's all a part of the Master's plan  
A step on the road to home.*

*When you are lonely and sick at heart  
Go to the friends you know  
And bury your sorrows in doing good deeds  
Miss me - but let me go.*
