

He never looked for praises
 He was never one to boast
 He just went on quietly working
 For the ones he loved the most.
 His dreams were seldom spoken
 His wants were very few
 And most of the time his worries
 Went unspoken too.
 He was there... A firm foundation
 Through all our storms of life
 A sturdy hand to hold on to
 In times of stress and strife.
 A true friend we could turn to
 When times were good or bad
 One of our greatest blessings
 The man that we called Dad.
