**ANN HOBMAN**  
*In loving memory of*

You were always there  
when we needed you,  
No task too great or small,  
With a loving heart and willing hand  
For us you did them all.  
Thanks for the times we shared,  
We pray that when you left us  
You knew how much we cared.  
You suffered much in silence,  
Your spirit did not bend,  
You faced your pain with courage,  
Until the very end.  
You tried so hard to stay with us,  
Your fight was all in vain,  
God took you in his loving arms  
And saved you from much more pain.  
Our hearts still ache with sadness  
And tears still flow,  
For what it meant to lose you  
No one will ever know.  
Peace be yours dear,  
It's sweet to breathe your name,  
As in life we loved you,  
So in death we do the same.  
Some day we know not when,
